The Election. The returns so far from the State are ex ceedingly meagre. The Conservatives have made large gains at the precincts, and we have everything to hope for in the success of our ticket. The news from Rowan and Guilford is especially encouraging as giving some index of the popular vote in the West. Columbus, in our own District, comes up nobly to the good work, and Duplin, never behind in the right cause, adds largely to her former majority.

New Hanover has exceeded the hopes of the most sanguine, and we have good J L Rhoades. reasons for believing that Maj. McClammy is elected to the Senate, with perhaps Jno K Brown. a gain of one in the House. All the signs look bright for a grand Conservative vic- ED Hewlett. tory, and we feel assured that the doom of Radicalism is sealed in our long-suffering State.

New Hanover County.

The returns so far as they have been received by precincts will be found else- I M Shoemaker

We learn that at South Washington, WL DeRosset Maj. McClammy runs far in advance of the A B Black ticket, making a very large gain. Burney Q F Walker for Sheriff received a large majority.

At Rocky Point Waddell's majority is about 150, a gain of 271 on the Presidential election.

McClammy's election seems to be conceded, while the chances are fair for the election of one or two Conservative mem bers of the House.

There is a Conservative gain of four or five hundred in this city.
